

Filter the Report Access Page

The Report Access page has filters so that you can view one report at a time or view all of the exceptions set up for one campus.

The screenshot shows the top navigation bar with two buttons: 'List' and 'Filter'. A red arrow points to the 'Filter' button. Below the navigation bar is a filter panel with two dropdown menus. The first dropdown is labeled 'Organization' and has 'Accounting & Finance' selected. The second dropdown is labeled 'Report Code' and has 'R205' selected. Both dropdowns have a red 'X' icon to their right. At the bottom of the filter panel are two buttons: 'Filter' and 'Reset'.
