Update Password or Profile

 Some or all of these features may not be in use for your system.

You can access your user profile at any time. Some systems let you update your information or password. Your updates can be viewed by managers.

1. Select **Profile** next to your name in the information bar.

logged in as: wtroike@sencia.ca   Profile | Help | Logout

2. Make changes to your Personal Info or Change Password.

3. Select the **Save** button to keep the changes.
