

# Quick Register

If enabled for your system, the quick register field is used to enter an access code that can automatically register or enrol you to specific items.

A screenshot of a web form titled "Quick Register". The form has a light gray background and a thin border. At the top left, the text "Quick Register" is displayed in a blue, sans-serif font. Below the title, there is a white rectangular input field for entering an access code. To the right of the input field is a small, square button with the text "GO" in a bold, black, sans-serif font. A small orange square is visible on the left side of the input field.
