

Add Bundles to Storefront

1. Log in with a Site Manager account.
2. Open the Bundles management page.
3. Select the **Storefront** button from [detailed view](#) or the **Edit Storefront** icon from [list view](#) .

4. Select **Add Storefront Item**.
5. From here the process is the same as it is for adding products to the store (see [Add Products to Storefront](#)).

Add Products to Existing Bundles

- When you add a new product to an existing bundle, it is automatically updated to the storefront items.
- If you add products to the bundle after an individual purchased it, the individual is not automatically given access to the newly added products.
