Review Storefront Orders

Your payment gateway (e.g. PayPal or Moneris) will have order information. You may occasionally want to match orders up against a customer's inquiry by comparing against the storefront.

- 1. Log into the storefront (see Access the Storefront).
- 2. Select **Sales** from the main menu.
- 3. Select **List All** to view order numbers, date of transactions, customer name, total purchase amount, and order status (canceled, pending or, paid).
