

# Comersus Reports

The Comersus storefront has several reports available. You can **filter** reports per date or per product depending on the report. Some reports will show charts that can be seen when using a modern web browser.

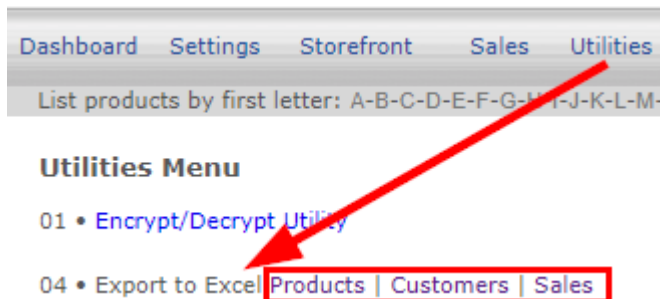

## Report Errors

Some Comersus reports only get data from paid or delivered orders and that is why you can get an error message “not enough information to create reports.”

## Excel Reports

The following reports can be run from the Comersus storefront itself and can be exported to Excel format.

1. Log into the storefront (see [Access the Storefront](#)).
2. Select **Utilities** from the main menu.
3. Select the name of a report from **04 Export to Excel**.

4. You can **filter** reports per date or per product depending on the report.
