

Navigate to Bundles

This feature is available to Site Managers depending on system configuration.

1. Log in with a Site Manager account.

2. Select **Bundles** under Library in the main navigation menu.
3. A detailed list displays the Bundle Name, Description, Type, Status, and date Created and Edited. This page allows you to view, sort, filter, export, delete, and edit bundles of all types (e.g. categories and certification sets).
