Session Status Glossary

Session statuses can be used to help filter and organize the sessions. The status list shown below is not exhaustive; more statuses may be available on your system.

- **Planned:** This status indicates the session is still being prepared and it not yet ready for enrolments. It will also disable enrolment from catalog & calendar.

- **Confirmed**: This status indicates the session is ready for enrolment. It is also the only status that allows enrolment from catalog & calendar.

- **Cancelled**: This status indicates a once confirmed session that is no longer available. It will also disable enrolment from catalog & calendar.
- **Completed**: This status indicates the session that has ended. It will also disable enrolment from catalog & calendar.

Cancel a Session

1. Open the Scheduling Tool and then select **Edit**.

2. Change the Status to **Cancelled.**

3. **Save**.

4. Optionally email your class to inform them of the cancellation.

5. To cancel mutiple sessions at once, see Session Statuses.

> Changing the session to **Cancelled** will remove it from the course calendar and enrolment drop-down menu, but does not remove a user's enrolment to the product.

Reschedule a Session

1. Navigate to the Scheduling Tool page and then select the session's **Edit** button.
2. Change the **Start Date** and **Time** for your session.

3. **Save**.

4. Remember to update any file attachments, especially an ICS file, if applicable.

5. Optionally email your class to inform them of the change.
