#### Campus Registration

Select	Campus	Default	Dictionary
<input checked="" type="checkbox"/>	Sencia Canada, Ltd.	<input checked="" type="radio"/>	English Dictionary

The system requires the user to remain enrolled to at least one campus.

## Change Default Campus

Changing the default campus can affect system relationships. Use caution, especially if your system uses single-sign-on (SSO) or has an integration with a 3rd party system. Changing the default campus can affect system relationships and determine which theme (skin) is applied and which language and email alerts an account sees.

The default campus can determine which theme (branding, colours) is applied and which language and email alerts an account has access to.

1. [Navigate to the user's profile](#) .
2. Select the campus from the drop-down menu under default campus.

The user is not removed from their former default campus enrolment.

## Bulk Campus enrolments

Multiple campus enrolments can be done via the Import Utility. Select the Users import type from the drop-down.
